Sir

With reference to your Official memorandum no (39) 9882 / 2740-98 dated 21st instant, forwarding for disposal the appeal petition of Bommanna and other residents of Hosadrug Complaining that the levy of Octroi duty in Hosadrug has not been discontinued, I have the honor to state that on the abolition of the Octroi duty the resources of the municipality having been found to be insufficient to meet the actual requirements, a proposal was made

made to levy octroi duty on the ~
marginally noted articles and it was
sanctioned by Government in Proceedings
No. 12177-8 / L 740-98 dated 26th April 1899, but ~
in consideration of the disturbance to
traffic caused by plague, the levy of octroi on
the above articles was postponed for sometime

2. Later on seeing that owing to
paucity of funds the Municipality was hardly
able to make any provision for the repair of
roads and the construction of drains, a
proposal was made to relieve the municipalit
of the marginally noted charges, aggregating
Rs 423/-, which consumed almost a third
of the municipal revenue, but Government in
their proceedings No. 7242-43 L 782-98
dated 24th November 1900 declined to
the proposal and directed that, if funds were
wanted the President must find means to
improve the resources. On receipt of this, orders
were issued for the levy of octroi duty on the
articles mentioned in para 1 above.

3. Thereupon, the inhabitants of
Hosdurga took objection to the levy of octroi
on the ground that it operated prejudicially
on the free importation of the articles into the
town for consumption and urged both in ~
and by means of petitions that

Rs (fresh).
(dry).

it should be abolished. The matter was then referred to the Municipal Board for consideration and they decided that the levy of octroi should be dispensed with and that in lieu thereof the tax on horses and shops might be revised in order to recoup the loss of revenue resulting from the abolition of octroi. This proposal was sanctioned. The revision has enabled the Municipality to secure an additional revenue of about Rs 400/- per annum.

4. In these circumstances, I beg to recommend that Government may be pleased to accord sanction to the abolition of the levy of octroi duty on the articles named in para 1, with effect from 1st February 1902.

5. The petition received with your memo under reply, is herewith returned.

I have the honor to be,
Sir,
